Dear Mr. Harley:

This will acknowledge receipt of three dozen each 5-gallon and 1-gallon cans to be used in the collection of samples of seawater and coral as discussed with Dr. Pearson.

We plan to pick up the material during various field trips in the near future, and we will try to give you as wide a sampling as possible.

We are very happy to be of assistance to you in this sampling program.

Very truly yours,

Maynard Neas
District Administrator
